

SPONSORSHIP PACKAGES

It's Not Just A Sponsorship Package.

For over 50 years, the Young Agents Council has been fostering the next generation of independent insurance agents. Agents who participate in YAC become future leaders in the industry, their agency, and the association.

When you elect to sponsor the Big I NJ Young Agents Council, you align your company with these future leaders, demonstrating your utmost support to perpetuating the success of the independent agency system.

SPONSORSHIP OPPORTUNITIES

Each sponsorship package is designed to give your company maximum exposure with the YACs, as well as with the full Big I NJ membership.
